

Can your company help?

Many companies choose to organise events and raise vital funds for the Cancer Charity to support the work of Weston Park Hospital across our region. From a sponsored head shave to a charity ball, all the funds raised are making a real difference to local people with cancer. We also organise a number of events for you or your colleagues to get involved in. There's something to suit everyone.

Does your company have a charity of the year? Why not nominate the Weston Park Hospital Cancer Charity?

We are here to help. We have a dedicated fundraising team who can help your company decide the best ways to work with us. Below are some examples of how our corporate supporters get involved...

Sheffield United Football Club

We are very pleased to announce that Sheffield United have nominated the Weston Park Hospital Cancer Charity as one of their official charities for 2009.

Sheffield United have generously supported local cancer patients since our Charity began 15 years ago; through their Superdraw lottery, regular donations, match day collections, personal appearances and much more. We look forward to working with them even more closely in the year to come.

Excel Parking

For many years Excel Parking has been raising funds to support cancer research, treatment and care at Weston Park Hospital.

The Excel Team are regular challengers at our summer Dragon Boat Regatta and their exhibition staff spread the word about the Cancer Charity far and wide by selling promotional items on our behalf. The company have shown true commitment to improving the lives of local cancer patients.

ECS

Sheffield based finance company ECS nominated two 'Charity Champions' to organise their fundraising for Weston Park Hospital Cancer Charity.

With two divisions, of Insurance Brokers and Financial Services, based in two separate offices the Charity Champions work to organise fundraising and social events which bring the staff together to enhance team work and boost morale. They organise many activities including BBQ's, formal dinners with management and clients, and every week they hold a dress down day. We thank them for all they do.

Granada Secondary Glazing

Chesterfield based Granada Secondary Glazing committed to improving the lives of local cancer patients when they made us their Charity of the Year.

The company started at Christmas by giving donations in lieu of their normal corporate gifts to clients and suppliers. This brought us vitally needed funds and also helped spread the word to other companies about how they can help improve cancer research, treatment and care at Weston Park Hospital, the region's specialist cancer centre.

Make a difference...

Running gives you the chance to get fit, have fun and make a real difference to people living with cancer.

If you're thinking of running a marathon, half marathon, 10k race or a fun run in 2009, please consider raising sponsorship for Weston Park Hospital Cancer Charity and help people living with cancer in our region, now and in the future!

Every step you take will move us closer towards supporting cancer research and improving treatment and care at Weston Park Hospital, which is 1 of only 3 dedicated cancer hospitals in the UK, and your specialist treatment centre if you are one of the nearly 2 million people living in South Yorkshire, North Nottinghamshire or North Derbyshire.

If you are a seasoned runner, or just stepping out for the first time, come and join us – we are always here to offer support and fundraising advice.

Why I'm running for Weston Park Hospital ...

"My Uncle was diagnosed with cancer and has received treatment at Weston Park Hospital for over a year. The hospital has been a lifeline to him in the great level of care given; it has also helped the family around him and given us great strength knowing that the best possible resources are available...."

Daniel Heathcote, from Chesterfield is running the 2009 FLORA London Marathon: www.justgiving.com/danielheathcote

Our NEW 10K Race & Fun Run

Our NEW Weston Park Hospital Cancer Charity 10K Run will take place at Graves Park in Sheffield on Sunday, 12th July. Join us for a fun day out and help raise vital funds for our Men's Cancer Campaign.

Thank you to the Sheffield Running Club for helping to organise this fantastic new run. From first timers to experienced runners, we welcome everyone to take part in either our 10K race or 3K Fun Run and together we can make big strides for this important cause.

"This run will give people in our region the opportunity to show their support, help to raise vital funds and promote awareness of male-specific cancers," says Cancer Charity race organiser Lyndsey Raynor. "We want to highlight the wealth of work that Weston Park Hospital dedicates to helping men living with cancer."

So, pull on your trainers, get involved and run: - for your dad, granddad, husband, brother, boyfriend, uncle or friend. Show your support for the men in your life and help us keep Weston Park Hospital at the forefront of cancer care in the UK.

Go to www.wphcancercharity.org.uk for registration details.

The Great Challenge

65 miles, 12 months, 10 events, 4 countries - a 'great' challenge for our Weston Park Hospital Cancer Charity supporter, Val Derbyshire. Taking place across the UK in 2009, the Great Run Series is the world's biggest programme of organised runs (and swim) which will see Val stepping out and making a splash in aid of our summer Men's Cancer Campaign. Here's the reason why...

"... I saw a girl in Sheffield city centre the other day collecting for the Men's Cancer Campaign and it made me think about my own grandfather, whom I never knew because he died of lung cancer when my father was just 18 and how my own kids will never know their paternal grandfather either because he died of prostate cancer when my husband was just 21. I thought how I would like to do something more than just stick a quid in a tin and go on my way."

We are inspired by Val and everyone who steps out to run to help make a difference. To sponsor her go to: www.justgiving.com/valderbyshire
